Confirmation No.: 9850

EXAMINER INTERVIEW SUMMARY

MAIL STOP AMENDMENT
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

A Telephonic Interview Summary was included in the Office Action Response filed on November 19, 2007, by the Assignee. However, in response to the Interview Summary mailed from the United States Patent and Trademark Office on July 17, 2007, the Assignee hereby re-submits the Telephonic Interview Summary provided in the response.

Telephonic Interview

During the interview, the 35 U.S.C. §112, first paragraph rejection of claim 1 was discussed. Examiner Dennison agreed to withdraw the rejection and indicated that a non-final office action would follow as a result. In addition, claims 1, 4, 6, 11, 15, 17, 28 and Ndili (U.S. Patent Publication No. 2002/0161928 A1) were discussed.

REMARKS

Assignee thanks the Examiner, Jeffery B. Dennison, for the courtesies extended to Assignee's attorneys, Sumeet Magoon (reg. no. 43,769) and Robert Summers (reg. no. 57,844), during the telephonic interview that took place on November 7, 2007. As the Examiner will note in reviewing the Office Action Response dated November 19, 2007, Examiner Dennison agreed to withdraw the §112 rejection without the need for amendments in the November 19th response to address this issue.

Conclusion

The Assignee respectfully submits that the present application is in condition for allowance and such action is earnestly requested. If for any reason the Application is not allowable, the examiner is requested to contact the Assignee's undersigned attorney at (312) 321-4200.

Respectfully submitted,

Robert D. Summers Jr.
